

BIG DING UV CURE POLYESTER MICROFILL

Code: BDUVP2

€ 19,95

BIG DING UV CURE POLYESTER MICROFILL

BIG DING UV CURE Polyester Microfill is perfect as filler to repair small Dings of your wave-, wind-, kite or SUP surfboard.

It cures superfast by the power of the sun or any other UV-light source, no mixing required.

CONTENT:

-2oz/60ml white mixture of polyester resin and microballoons that cures within minutes

-4 grids of Sanding Paper

-Wooden Putty

-Adhesive masking foil

-BIG DING Sticker
