CATCH SURF WAX

Includes one (1) bar of wax with Catch Surf Wax sticker.

We worked with a leading surf wax manufacturer to create a special "soft surfboard" formula for maximum performance on the decks of Catch Surf boards. Special "pina colada" scent to get you in the mood to shred! This formula works in warm to cool water and offers a nice sticky layer for grip without too much build up or clumping on soft surfboards. MADE IN USA.
