

## SVM5 A JOURNEY THROUGH ITALY

€ 19,90

### SVM5 A JOURNEY THROUGH ITALY

The new issue of SVM, the surf videos produced by Italian Surfcorner, documenting some of the best swells in recent months in Italy, including the epic swell of Levanto and Varazze in January 2007, also some unreleased gems such as tests of Nicola Bresciani and Titian Gabrielli tow-in at the pier of forte dei Marmi and the appearance of first wave cooing longest in Italy and have never been surfing !!!

SVM5 A Journey through Italy Parts. 1 is the first part of a project that has as its goal to cover most of the Italian coasts and their commercials. In this issue you will find some areas, such as the Adriatic, Tuscany, Liguria, Sardinia, Lazio.

Also available with the magazine Surf Latin 37.

Duration of the DVD: c.ca 120 minutes.
