SVM3 SURFCORNER VIDEOMAGAZINE

The highly anticipated new video produced by Surfcorner.it, Surfcorner Video Magazine 3, shot in the Mediterranean (Liguria, Tuscany, Lazio, Sardinia, Calabria, Adriatic), Morocco and the Western Isles (Scotland) with the best riders in Italian and foreign pro-wave Italian including special guest Kelly Slater & co. Varazze!

Surfcorner Video Magazine 3 does not disappoint but far exceeds the returns on time and with movies in top quality made from the best Italian spot known and unknown, all presented in the best conditions as some secret Tuscan or Sardinian, or the trip to discover the Ionian coast in the deep south of the boot, not to mention the foreign trip in Morocco and the Hebrides with Urtis, Accounts, and Palattella Bresciani.

Rich also a bonus section with over 60 minutes of extras for a total of over 100 minutes of video, with room for the main contexts of 2004 and missed a section dedicated to longboard with profiles of the best riders on the East Coast, and for the first time in video exclusive pictures of the trip in Sardinia performed by a troupe of Australian Longboarder with Keliana Woolsey, Belinda Baggs and Dane Perlée strolled Oristano land ...

Spot on the soundtrack that accompanies the action sequences very well.

Running Time: 100 minutes over
