

FCS 6' FREEDOM LEASH HELIX

Code: FHAA-06F

€ 56,00

FCS

FCS FREEDOM LEASH HELIX 6''
New Helix Cord

Naturally sourced, corn-based Bio-Resin construction results in a lighter & stronger cord.
Inner Helix straightens under load to absorb shock & amplify strength.
Helix's textured cord surface creates smoother water flow resulting in less drag.

Lightweight Cuff

Silicone Grip Print - Reduces slipping around ankle.
2mm Neoprene Padding - Thin, light and comfortable.
Low Profile Moulded Velcro - Stronger & more reliable.
Moulded Pull-tab - New finger grip designed for quick release.

Strong Connections

Helix Overmould - Maximises strength while providing stretch when strained.
Reinforced Horn - Elongated & comfortable horn reduces back foot tangling.
Slim Railsaver - Made with Hypalon and moulded velcro for extra strength
Titanium Swivels - Super durable, light & corrosion resistant.

Features

Cord Thickness: 5mm.
Leash Length: 6 ft
Specifically made for waves under 4 ft.

Innovative Design

Every element of the leash has been re-designed for maximum performance and comfort to help you surf free. Our new Corn-based Bio-resin is now lighter, stronger and more durable.

New Helix construction and Overmould connections straighten under tension to absorb shock and amplify strength.
