

FCS I MR-TFX PC CARBON TWIN + STABILISER FINS

Code: 1122-212-00-R

€ 115,00

FCS

FCS I MR-TFX PC CARBON TWIN + STABILISER FINS

Overview

Mark Richard's famous twin template produces exceptional drive and speed. The small stabilizer (centre fin) adds control whilst maintaining the freedom and manoeuvrability of a twin fin set up.

Board Types

Designed to fit the FCS I Fin System.
Recommended for all board types including fish, funboard and twin fin boards.

Performance Core

Performance Core (PC) fins are made using a multi-layered resin transfer molding process. The flex pattern in PC fins extends progressively from the base through to the tip, helping the surfer to maintain drive and hold through a turn. This versatile fin material is light, and can be used in a variety of different conditions.

X-LARGE (One size suits all)
