

## FCS II ROB MACHADO SEASIDE PG XL KEEL QUAD

**Code:** FRMX-PG01-XL-QS-R

**€ 169,95**

**FCS**

### FCS II ROB MACHADO SEASIDE PG XL KEEL QUAD

#### Overview

The Seaside Quad is Rob Machado's first signature FCS II fin template.

Designed specifically for his Firewire Seaside model.

This semi-keel + stabiliser offers the flow of a traditional twin fish with the control of a performance quad setup.

Quad set containing 4 fins.

A wide range of conditions from beach breaks to point breaks, Ideally suited to smaller, weaker waves.

Board Types

Designed to fit the FCS II Fin System.

Recommended for all board types including fish, funboard and twin fin boards.

Performance Glass (PG) fins are machine cut from layers of solid fiberglass. These fins are stiff, and are widely used by pro level surfers because the integrity of the flex is maintained under immense force, and in the most extreme of conditions and situations.
