

## FUTURES FINS K2 KEEL TWIN

Code: 1520-235-20

€ 104,95

### K2 KEEL

The K2 Fiberglass Keel fin is a smaller, more refined version compared to our traditional Keel fin. The K2 Keel's fiberglass material offer minimal flexibility and maximum stability while the smaller template gives this fin a more high performance feel while maintaining the classic Keel fin ride.

### SIDE FINS:

HEIGHT: 4.63"

BASE: 6.34"

AREA: 22.25"

FOIL: FLAT

### FIBERGLASS

Fiberglass is stiff and tough for heavy conditions or surfers that appreciate very stiff fins.

### SYMMETRICAL FOIL

Symmetrical foil rear fins on quads give a fluid consistent feeling that is predictable in all conditions and is enhanced on quads when the rear fins are placed closely together.
