Don't be fooled by its boat-like (or longboard) appearance, the kick in the tail rocker makes this board turn like a shortboard. The nose rocker helps to avoid digging the nose on the take off and rails during bottom turns.

This board is perfect: -If you want a relaxing session and don't want to hassle with the groms on the inside.

-If you are a novice to intermediate surfer and are looking for a fun wave catching machine.

### THE PLUS

This board is perfect:

-If you want a relaxing session and don't want to hassle with the groms on the inside.

-If you are a novice to intermediate surfer and are looking for a fun wave catching machine.

WAVE SIZE From knee to head-high conditions.

WAVE TYPE Beach breaks, point breaks and reef breaks.

WAVE POWER From soft to intermediate waves.

Indio Surfboards started as a soft board brand and quickly became a hit all along the European coast. Indio Surfboards has now expanded its portfolio by adding the latest technology in softboards and regular surfboards.
