INDIO ENDURANCE THE EGG TOASTED

Indio Surfboards started as a soft board brand and quickly became a hit all along the European coast. Indio Surfboards has now expanded its portfolio by adding the latest technology in softboards and regular surfboards.

It is the perfect design for the weekend warrior or a beginner's first board. The wider nose helps paddling into the waves. Its gradual rocker, rounded rails, generous volume and harmonic outline make for a user friendly board.

This tried and tested shape has been used for many years and is guaranteed to work well in most conditions.
