ION MAGMA BOOTS 6/5

LINE CONCEPT

The Magma enters its second generation just comes not as flashy. The perfect blend of that desirable ,barefoot' sensation and unrivalled warmth, an external split-toe and ultra-thin rubber layup is incorporated into its forward-thinking design. All of the magma styles have the following standard features:

Ankle Strap: Stay secure and supported.

Segmented Sole: Creative and strategic cuttings have been integrated into the sole to enhance the flexibility in critical areas of the foot.

Last Construction:

ES: External Split since the beginning key feature of the Magma

RT: for those who don't like that string between your Toes we offer a round toe no-split version
