KOALITION MID 7.5" SINGLE FIN BLUE

The Koalition Mid 7.5? can be compared to the Swiss army knife: it does everything!

It will perfectly work on any single fin or a 2+1 Mid.

Its unique template with a wide base that will give you a lot of stability, associated with a slightly tapered tip and a large overall surface, for a loose glide on the wave with the necessary speed when you need it.
That's the perfect fin for a wide range of shapes from 6.0? to Mid 7.0?.

The Koalition Mid comes with a Stainless Steel screw and plate
