Cord Dia. : 9/32" (7mm)
Strap : 50mm - 2 x Padded

Additional Surfboard Leash Features:

DIAMOND-FLEX MOULD - Advanced mould design with flex diamonds. Provides controlled flex and strong transition from mould to urethane.

DUAL ANCHOR SWIVELS - Marine grade, stainless anti-corrosive free-spin swivels for tangle-free surfing.

ORIGINAL DETACHABLE RAILSAYER - The original railsaver system designed by O&E, with sewn in anchor cord. Protects rails and is easily detached.

NEW FORMULA CONTROLLED-STRETCH URETHANE - The larger the wave, the more stretch which keeps your board at a safe distance away. Premium grade quality urethane developed by the world's leading manufacturer.

FLEX NECK STRAP PLUG - Allows 360° movement of leash and offers more comfort when leash is under load.

DELUXE ANKLE STRAP - Double padded comfort strap. Lightweight, secure fit.

SAFETY RELEASE PULL TAB - Easy to see 'Safety Red' quick release pull tab. Essential when surfing big waves and reefs.

PLUG BUDDY - Another O&E first. Ensures leash string can be easily slipped through surfboard plug.
