€ 59,95

MADNESS

MADNESS MANIPULATE 9.0 R7 SKATEBOARD DECK

Made from 7 plies of Canadian hardrock maple, the Resin-7 construction uses a gnarly epoxy that allows for more strength with less glue. This means that Resin-7 decks are considerably lighter, stiffer and longer lasting than traditional 7-ply construction.

Holographic foil

- Wheel cuts
- Width 9"
- Length 32"
- Wheelbase 14.25"
- Concave Mellow
- 7-Ply Maple
