MATUSE PHILO 1MM WETSUIT JACKET GEOPRENE TOP

Derived from the Greek term, Philos, the word Philo means, "having a strong affinity or preference." The PHILO: wetsuit jacket represents our love for building the next level of function-first wetsuits. Whatever it is you do, remember to be passionate about it. Ichiban infused.

1mm flat-stitched for warm conditions
Hydrasilk lining on both the inside and outside for maximum durability and comfort
Ergonomic paneling sweeps shoulders forward to maximize paddle reach
Short-loop in front for trunks
Mini back-zip for ease of entry
