

MICK FANNING MF BEASTIE JADE FUTURES

Code: U23-MF-BTJ

€ 449,95

MICK FANNING MF BEASTIE JADE FUTURES

The Beastie has been designed to be the ultimate fun board. The volume is really well distributed for such a large board. The outline is generous, providing a stable platform for catching waves perfect for those looking to progress their surfing to the next level or for the surfer looking for an alternative to a longboard. The tail width provides lift and acceleration in the weakest waves creating a super generous sweet spot!
