

MINI LOGO HYBRIDS WHEELS A-CUT 90A 55MM

Code: WSBCMLAC25590W4

€ 29,95

MINI LOGO HYBRIDS A-CUT 95A WHEELS 56MM

With the A-cut wheel, you get a skateboard wheel designed to cover more varied types of terrain, than what their C-cut shape can run on. A thread pattern and a nice wide base make this wheel able to traverse minor obstacles and cracks.

This 90A version will be perfect for a more cruiser-aspired setup with ample grip when riding on asphalt

Made with the renowned long-lasting urethane out of the Skate One organization
