

## MOMENTUM I & II

Code: DVDM2

€ 79,95

10-year anniversary 2-disc DVD set!

Previously unseen interviews

Vintage bonus footage

Voiceover commentary from director Taylor Steele & the surfers

Old television interviews

Celebrating 10 years of Taylor Steele films, Stomp Visual is proud to re-release on DVD the movies that defined a generation. Known as the most innovative and progressive surf films of their time, they introduce to the world the riders that were to become the future icons in surf culture - Kelly, Ross, Rob and Knox. Featuring music by Bad Religion, Pennywise, Sprung Monkey, NOFX, Sublime and Offspring.
