Rider Weight: <85kg

Additional Soft Board Features:

EPS Core - Highly waterproof & lightweight. 3x stringers increase board strength and maintain rocker.

HDPE Bottom Plate - 1mm thick HDPE high density polyethelene plate. Durable, extra strength performance slick. Available in a range of colours.

Interchangeable Fin Box - Compatible with most major fin brands. Allows quick and easy fin changing. Secures with fin key (included).

Thermal Reactive Simulation - To help protect against delamination, all soft boards are tested in a heat induced environment at 70°C for two hours.

IXL EBS Deck Skin - Cross-linked IXL PE skin with WBS (Water Barrier Skin). Highly water resistant and extremely durable. Excellent grip and impact resistant.

Warranty - Guaranteed against faulty workmanship or defective materials for 12 months from date of purchase.
