O'NEILL 

O'NEILL EPIC 6/5/4 CHEST ZIP W/HOOD WETSUITS BLACK

[Epic 6/5/4mm Chest Zip Full Wetsuit w/Hood Womens]100% UltraFlex DS neoprene

High-performance super-stretch neoprene with a durable outer skin that resists velcro pulls and snags. Stretch factor: 150%

Glued & Blindstitched Seam Construction

The blindstitch seam is aptly named because the stitching only goes part way through the neoprene. If a suit is blindstitched, it is also glued so there is no leakage through the seams. Glued and blind stitched construction provides a waterproof seam. A blindstitched suit is also taped in all areas of excessive stress. O'Neill's exclusive blindstitch is the Flexloc Stitch which is stronger and more flexible than the traditional blindstitch and eliminates unraveling of the seam. O'Neill's proven GBS-glued and blindstitched seam is double-stitched partially through the surface and triple glued to create a watertight seam. If the thread breaks, the seam will not leak.

F.U.Z.E. Entry system

O'Neill's exclusive F.U.Z.E. (Front Upper Zip Entry) system offers a fresh alternative. Using the same free floating zipper technology as our patented Z.E.N. ZIP closure. The F.U.Z.E. closure keeps you dry and allows unrestricted flexibility.

Double superseal neck

A toasty warm two layer design featuring a 360° smooth skin interior lining, wide adjustability, and a secure lock down. Fully adjustable and watertight.

Strategic seamless paddle zones

An ergonomic, seamless under sleeve panel that allows for unrestricted motion and eliminates rashing. Flexible and unique design which utilizes minimal seam placement for comfort.

Sidewinder S-Curve seams

Sidewinder S-Curve seams

Krypto knee padz
