POWELL PERALTA RIPPER ONE OF BIRCH 7.75" SKATE COMPLETE

Powell-Peralta skateboards are made from strong, light, hard yellow birch, fused together with water-resistant glue in proprietary Powell-Peralta AirLam™ presses. This ensures maximum stiffness, strength, pop, and durability.

Lifetime warranty against manufacturer defects

Griptape:

Professional quality silicon carbide grit optimizes grip and durability in all weather conditions.

Trucks:

Mini Logo™ trucks combine strength, stability, and smooth turning by utilizing premium alloys, high-rebound bushings, and heat-treated axles. Designed, developed, and proven by our professional team at Skate One, Mini Logo trucks will allow skaters to roll and turn with confidence when they begin skating and will stand up to the stresses and impacts of advanced street, park, and ramp skating as they progress.

Medium-soft bushings for deck widths 7" - 7.75"

Medium-hard bushings for deck widths 8.0" and up

Warranty against manufacturer defects for the life of the skateboard.

Wheels:

Powell-Peralta wheels are fast, durable, hot cast, polyurethane wheels that roll, slide and grip great. Our wheels have been top-rated and used by professional skaters for the past 43 years. You will be pleased with these.

Medium 90-A hardness for size 7" - 7.75" wide skateboards.

Hard 101-A hardness for size 8.0" wide and up skateboards.

Lifetime warranty against manufacturer defects

Bearings:

Mini Logo bearings are Skate Rated™ so they roll fast, and stand up to the dirt, dust, impacts, and moisture skateboards have to roll through every day. With precision ground races, mirror-smooth balls, a high-speed nylon ball retainer, Speed Cream™ racing lubricant, and two removable protective shields for easy cleaning, ML bearings will allow you to take full advantage of your high rebound PP wheels to get maximum roll and skating fun.
