QUIKSILVER LONG LOG 9'1" WHITE

The Long Log is our lightweight, user-friendly Longboard. It is a cruising machine that builds and maintains speed to glide over flatter sections with ease. Ideal for everyone from beginners to intermediate surfers in smaller or softer waves and will lift your wave count, guaranteed! Flat V for gliding control and rail to rail transitions. The rocker lends itself to planing and cruising and will also facilitate smooth turning. Full rolled forgiving rail. Standard cruising longboard outline. Fin Box + Futures fins positioned to enhance maneuverability.
