REEF ORTHO SPRING SANDALS

DESCRIPTION

Spring is when things really start to come to life, including the beach. But the Reef Ortho-Spring Sandals keep the beach vibes going strong no matter what time of year it is..

BENEFITS
[Eco-One]
ECO-ONE
Biodegradability is the future of plastics. Unlike other degradable plastic additives (which produce methane), Eco-One can be recaptured and used as a source of sustainable energy.
[Arch Support]
ARCH SUPPORT
Outfitted with anatomical arch support to keep you comfortable through every adventure.

CUSHION

Treat your feet to instant comfort with our softest shoes ever. Crafted from premium materials providing ultimate comfort.

FEATURES

Enhanced arch support and optimized heel cupping deliver anatomical contouring for all day comfort
Shock absorbent cushion bounce footbed to reduce impact under every step
Eco-One enhanced biodegradability footbed
Vegan leather strap with padded jersey lining
Made with PVC Free materials
Molded rubber outsole with flex groves for maximum movement and traction
