RIP CURL DAWN PATROL 6/4 CHEST ZIP HOOD WETSUIT

The Dawn Patrol offers performance and warmth features along with durability at great value. This wetsuit has many of the high end features you will find in our ultimate suits including E5 Flash Lining, E5 neoprene and E4 Thermo lining. This suit is built with 6mm of neoprene through the chest and legs, and 4mm through the arms, for the optimal flex to warmth ratio, as well as in-built hood to keep you extra warm and protect against cold headaches and surfer's ear. Plus, seals are safeguarded by E5 taping which reinforces the water seal and the longevity of the suit. The chest zip entry system allows for great flex in the suit, with less zip area than the back zip alternative, as well as easy changing.

Composition : 80%Neoprene 20%Polyamide
Our model is 1,83 tall and wears size M.
