ROAM 9'6" COFFIN WHEELIE BOARD BAG

The Roam Wheelie Coffin takes our full spec Coffin board bag to next level utility.

Featuring all of the utilitarian features from our Roam Coffin, the wheelie has our Roam 'High Roller' wheel system – a larger wheel size and increased wheel clearance plus 2 heavy duty runner avoids the dreaded bag drag and keeps the base free from wear.

This is understated design; pure function and practicality when you need it most. Roam coffins are designed to accommodate 3-4 boards in sizes up to 8'0 or 2 boards for 8'0 plus. The bags are cut long to allow for extra padding or boards packed inside Roam Daylight bags or Surfboard socks.
