

SLATER DESIGNS 5'6" LEASH COMP 5,5MM

Code: LSHK-506-C-BKBK

€ 34,00

SLATER DESIGNS LEASH 5'6" COMP 5,5 mm

Lightweight performance and strength, the Competition leash is ideal for smaller conditions by minimising drag.

The Slater Designs/Revolvwe Eco-Leash incorporates a number of unique features that have dramatically reduced its carbon footprint in comparison to other leashes on the market, including a 20% recycled content urethane cord, Yulex cuff, and 100% recycled PET bottles used to make the ankle strap, rail saver webbing, and woven labels.

By using Yulex we have reduced CO2 emissions by 80% compared to a conventional leash cuff, and the use of post-consumer plastic lowers energy consumption by 3,000 BTUs per leash, which qualifies it for Eco-Leash certification by Sustainable Surf

LEASH FEATURES

The Cord 20% Recycled Urethane Content

The Webbing 100% Recycled Post-Consumer PET-Bottles.

The Cuff Made of Yulex®

Stainless Steel Double Swivels

Smart Key Pocket
