SLIDE SURFSKATE DIAMOND KAENA 32"

Inspired by the classic Single ns of the 70's, this shape is your perfect weapon to go from one place to another, surf the streets and polish your style to get ready for epic conditions.

The Diamond is a stable low volume shape. With a wide nose, a smooth contour and tucked tail, it has been developed for reliability. Its set-up makes it perfect for learners that are getting into the surf culture and for those old- school surfers wanting to keep the stoke outside the water.
