SLIDE SURFSKATE NEME PRO SPACIAL 35"

Neme Rico is our team rider and dear friend. He has been testing our trucks and decks since 2012, and during 2018 he made his own board to bring the maximum out of the Slide 2rd Generation truck.

This board will bring the highest performance out of you. Its smooth central concave will maximize each turn keeping every move under control. Cruising, carving or inside the pool, this board will make the most out of every turn.
