Code: SUN1-RR

€ 8,99

### SUNTRIBE ALL NATURAL ZINC SUNSCREEN FACE & SPORT SPF30 | RETRO RED

100% NATURAL ZINC SUNSCREEN | Reef safe sunscreen for all kinds of outdoor activities, such as surfing. Warm / tropical formula (easiest to apply above 20 degrees). Completely free from harmful chemical UV-filters, parabens, alcohol, preservatives, perfume and synthetic chemicals.

ORGANIC & GENTLE | Thick visible sports formula based on three natural & certified organic ingredients, available in four fun colours in plastic free packaging. Hypoallergenic, suitable for kids and all skin types.

HIGHLY EFFECTIVE | Scientifically validated broad spectrum protection against both UVA & UVB rays – SPF 30 (blocks 97% of UVB rays). Very water resistant and sweat resistant.

MINERAL UV-FILTER / REEF SAFE | Contains Non-Nano Zinc Oxide which according to research is the safest available UV-filter for human health, corals and marine life.

USED BY PROFESSIONAL ATHLETES | Loved for its combination of performance and environmental friendliness by adventurers world wide. As Suntribe ambassadors we count among others pro surfer Tim Latte & Olympic class sailors Jimmy & Ubo.

The All Natural Face & Sport Zinc Sunscreen is a 100% natural, reef safe zinc sunscreen for all kinds of sports and outdoor activities in a leak-proof plastic free packaging. Loved for its combination of performance and environmental friendliness by professional athletes and ordinary adventurers around the globe. Popularly used in extreme conditions, imagine big waves and stormy seas.

Thick, visible sports formula which works in all temperatures and has ideal consistency in temperatures above 20 degrees. This natural zinc sunscreen is the ideal to protect sensitive areas of your face, such as ears, nose and lips in warm to tropical conditions. Hypoallergenic – suitable for kids and all skin types. Completely free from synthetic chemicals, preservatives and perfumes which makes it a natural and safe alternative for heavy-duty sun protection and long-lasting water resistance and sweat resistance.

This zinc sunscreen builds a protective shield on top of your skin from the first moment of application, providing broad spectrum SPF 30 protection against UVA & UVB rays (blocks 97% of UVB rays). This sports sunscreen contains Non-Nano Zinc Oxide which according to research is the safest available UV-filter for human health, corals and marine life.

Original White is Suntribe's classic sports formula and has a natural white color.

Cocos Nucifera (Coconut) Oil°, Cera Alba (Beeswax)°, Non-Nano Zinc Oxide. °Organic

Non-Nano Zinc Oxide provides safe sun protection

Non-Nano Zinc Oxide makes this the perfect sunscreen for a day at the beach. It is a mineral UV filter that provides broad spectrum SPF 30 sun protection and is safe for your skin and the environment (reef safe). Blocks 97% of UVB rays and protects your from UVA rays as well.

Organic Beeswax provides water resistance

Beeswax makes this zinc sunblock highly water and sweat resistant and protects your skin from external damage.

Organic Coconut Oil nourishes

Coconut Oil provides moisture, has antibacterial properties and a high content of minerals, antioxidants and vitamins. Nourishes and boosts your skin, plus it smells divine!
