### VANS ELIJAH BERLE VINTAGE LONG SLEEVE T-SHIRT

Stylish, effortless, classic, dependable, and built for the job of skateboarding-and the footwear and apparel aren't bad either. We partnered with Elijah Berle to build a collection of Skate Classics and apparel that speaks to his passion for classic tattoo art, motorcycle culture, retro surf, and mid-century fashion.

With embellishments ranging from embroideries and outsole prints to detachable patches, this head-to-toe collection pays homage to Elijah's elevated taste level and iconic style. Featuring flame graphics at the chest and barbed wire art at the sleeves, the Elijah Berle Vintage Long Sleeve T-Shirt uses a premium overdyed and heavier weight carded ringspun cotton to create a modern tee with a unique old school vibe.
