VANS KIDS FAST AND LOOSE SOCKS

EU: 26.5 - 31 - US: 10-13.5

The FAST AND LOOSE crew has members all over the world from all different backgrounds. It is the shared love of BMX that brought them together and formed the strongest bonds. When it came to building their Holiday 22 collection, the idea was simple: to make footwear and apparel that would allow them to stand out as individuals but still feel connected to the crew that reminds them that they are never alone.

Featuring exclusive FAST AND LOOSE jacquard art, the Kids Vans x FAST AND LOOSE Sock lives up to this intention with a top-of-foot mantra and graphic stripes around the calf. This sock is made with a cotton blend and classic ribbed texture. Traditional Boys Fit.
