VISSLA HIGH SEAS 5MM ROUND TOE BOOTIE

Made for cold water: 46 - 55° F / 8 - 12° C

Vissla Performance Surf Bootie fit is true to shoe size
Bootie should fit snug to prevent water from entering

WARMTH & STRETCH

- 100% Super Stretch neoprene - lighter, warmer, softer, stretchier, easier to put on and take off
- Thermal lining insulates heat and dries fast

FIT

- Super thin soft sole = great board feel!
- Atomically shaped to your foot for a tight comfortable fit
- Dual strapless compression panels keep the boot snug to your feet without having to have the restricting velcro strap
- Half the weight of the 7 Seas 5mm bootie
- Features pull tab on heel

DURABLE & WATERTIGHT

- Glued and blind stitched seam construction
- Glide skin ankle seal to prevent flushing

CARE

- Treat with special care! Rinse booties thoroughly inside and out with fresh water
- Lay flat to dry in a cool shaded area and avoid placing in direct sun light
