### COCOTEX

Thanks to a process called 'Cocotex', the overlooked 'waste' is turned into an activated carbon fabric. The properties of this fabric are everything you could ever wish for in a pair of trunks: they stretch, they breathe, they fight odor, and they last.

### REPREVE

Repreve fiber contains recycled materials - including plastic bottles. When you see this icon, remember: It's what's in it... that makes it recycled. With Repreve, you can be sure you're creating a reprieve for the planet.
