WALDEN MAGIC MODEL 9'0" FUSION POLY

The MAGIC Model stands the test of time due to its versatility and unique design features. With an emphasis on performance, with a single concave running from the nose through to the midpoint creates lift and stability, which is perfect for controlled nose riding.

Walden surfboards come without fins and fin screws. The centre fin box is best suited for ROAM longboard fins, FCS screw and plate longboard fins and Futures longboard fins.

adds lift and stability, perfect for noseriding. The double concaved hull and hard rails make the board fast, stable, responsive and manoeuvrable in all conditions. The Magic rails are hard, they tend to be harder than most other longboards, the unique bottom curves & bevels keep the rails from catching unlike most other hard rail boards.
